Three Ecosystems

Under each ecosystem type, list three to five descriptive words that come to mind when you think of each ecosystem. Then, draw a picture! Pictures can illustrate the general set-up of the ecosystem or can depict certain plant/animal species. Be creative!

Redwood Forests

1. _____
2. _____
3. _____
4. _____
5. _____

Draw your picture here.

Coastlines

1. _____
2. _____
3. _____
4. _____
5. _____

Draw your picture here.

Marshes

1. _____
2. _____
3. _____
4. _____
5. _____

Draw your picture here.
